Skaters

This newsletter is an information letter about our upcoming “Stars On Ice” performances.

Each year that we do not have an ice show, we have our own performance night called “Stars on Ice”. All skaters in the club will be participating. The George Preston Rec Centre skater’s night will be Tues. March 13 from 4:00 to 7:00pm. The Walnut Grove skaters will be Wed. March 14 from 4:00 – 7:00 pm.

What will take place is all the canskaters, pre-canskaters and star skaters will be demonstrating, doing an exhibition of their skating skills they have been working on each day. The canskate and pre-can will be on the ice in groups, like their lessons. The star skaters will be showing their programs that they use in competition.

It is to be a fun, learning experience for all, as a wind-up to our winter season. We encourage everyone to stay for the whole time, as there could be free time at the end of the day.

George Preston:

We would like the star skaters to arrive at 4:00 (volunteers at 3:45 ish)

Walnut Grove

We would like the **skaters to arrive at 4:00 (volunteers at 3:45 ish)**

We would like the **canskaters and pre-canskaters to arrive no later than 4:45** with skates on ready to go.

The skaters will then be taken to the seats at George Preston and dressing rooms at Walnut Grove. We will have parent volunteers to look after the skaters. Please bring the skaters with their skates **on** and then parents can go to the seats to enjoy the performances by all.

Skaters should wear their regular skating attire, helmets and gloves. They should have hard guards also for their skates.

When the event is completed, then all the skaters can be picked up by one parent at the designated area. Send the skaters with a warm jacket and blanket for them to use while watching all the performances.

There will be an admission fee by donation, which will be donated to the Langley Food Bank.

The week of Stars on Ice is the last week of skating for the 2017/2018 winter season. Spring school information is out and ready for registrations. It will begin April 3rd, all at the Sportsplex in Walnut Grove.
